

SOMOS UN MUNDO

We Are One World (formerly Unity Day)

Sign Up to be a *Culture Ambassador!*

We are looking for "Culture Ambassadors." If you are from a different country (*or simply love to visit a certain region of the world*) we invite you to serve as one of our very special *Somos Un Mundo/One World* tour guides.

Little Big Minds will provide a display board, all you need to do is add some pictures of:

- the country flag or map of the region
- favorite sporting event
- traditional dress
- or any other items that represent what is great about the country or region

We would also love it if you could bring a sample of the local cuisine to give kids a taste of various ethnic foods. A bite-sized sample will suffice but, you should plan on enough for at least 100 "little tastes" (ie... a small meatball from Italy or a small taste of cheese from Switzerland.) Of course, if you have any trinkets or souvenirs that you are willing to display, that would be great, too.

This event, more than any other, speaks to our heart as a preschool. We hope you will help us come together to celebrate the cultures and customs that make our community so vibrant.

To sign-up, please visit the sign up genius sent by your Campus Director.

Note: Please add the name of the country you will be representing below so that we don't have too many duplicates. Thank you!

YES! I want to VOLUNTEER for Somos un Mundo 2019

Name: _____

Country: _____
